

Position: Archaeologist

Location: MALTA

Job description:

The selected candidate's responsibilities would be archaeological monitoring, surveying, investigations and post excavation and research work. The successful candidate is expected to manage assigned cases and compile documents and reports for the cases handled.

Requirements:

- University degree in Archaeology
- Minimum 2 years' work experience
- Master's degree with a specialization in Maltese or Punic Archaeology would be preferred
- Good communication skills and strong technical writing skills in English
- Good computer skills and AutoCAD drawing
- Driving licence (B)
- Highly motivated and able to work on his/her own initiative

Conditions:

- Contract type: indefinite
- Annual salary: EUR 22 000 – 25 000, according to the candidate's level of experience, qualifications and demonstrated track record
- Fully paid up local mobile line and company vehicle
- Training provided: the candidate will shadow a Senior Archaeologist and will have appropriate coaching and guidance
- The company will assist the selected candidate in finding local accommodation
